E-file

- Tax Preparer E-file Mandate
 - No change for tax year 2013.
 - If paid tax preparers filed **25 or more** Nebraska individual income tax returns during calendar year 2013, then they **must e-file** all individual income tax returns they are paid to prepare during calendar year 2014.
 - The penalty is \$100 for each return not e-filed.

See the [Tax Preparer E-file Mandate FAQs](#) on the Department's website.

Neb. Rev. Stat. [§ 77-1784](#)

E-file

- Nebraska will open on same date that the IRS officially opens.
- A qualified tax preparer can e-file both federal and state returns using IRS and state-approved software.
- Return is transmitted to the IRS Service Center.
- The Department retrieves state returns from the IRS and provides acknowledgments to the originators.

E-file

- Most calendar year 2013 original individual income tax returns can be e-filed including:
 - Balance due returns;
 - Nonresident returns;
 - Refund returns;
 - Resident returns; and
 - Zero balance returns.
- Delinquent returns can now be e-filed.
 - Nebraska will accept 2011, 2012, and 2013 individual income tax returns through MeF.
- E-filers may schedule estimated income tax payments when e-filing their tax return.

E-file

- Linked versus state-only returns
 - Nebraska prefers linked returns when possible, because a linked return indicates IRS acceptance of the federal return.
 - Nebraska supports e-filing state-only returns.
 - Rejected state returns are re-sent to the state.
 - A state return may be sent by itself when a taxpayer files returns in more than one state.
 - Tax preparers should check with software providers to confirm capability of state-only filing.

Computer-Prepared Returns

- Types of errors you should watch for:
 - Misplacement/misalignment of entries on line numbers;
 - Inadequate or missing explanations for schedule entries;
 - Incorrect math calculations; and
 - Illegible returns from the tax preparer's incompatible printer.

Form 3800N

- Audit staff reviews the return for approval of the credit
 - Proper documentation must be included
 - Business return filing is reviewed
- Processing and review can take up to 6 weeks

Documentation – Binary Attachments (PDF File)

- Binary attachments can be transmitted with the electronic return.
- This eliminates the need to mail or fax documents to the Department.
- Scan and send PDF attachments with the electronic return.
- Check with your software provider to determine if an attachment option is available.

Documentation – Form 8453N

- Forms can still be mailed or faxed
 - If a required document is missing from an e-filed return, an “alert” will be sent.
 - Use Form 8453N as a cover sheet.
 - Form 8453N does not need the taxpayer’s signature.
 - Priority processing is given.
 - If required documentation is not received by the Department, no additional notice will be sent.

Form Requirements

- Form 1040N, Schedule I, Line 63
 - Schedule K-1N
 - Must be filed when a taxpayer claims an adjustment decreasing AGI on tax year 2013 Nebraska Schedule I, for S corporation, and LLC non-Nebraska source income

Additional Tips

- Purchase software that supports all Nebraska forms and schedules. If not all are supported, contact the software vendor.
- For 2013 returns, the alert status will only appear in the acknowledgement if some action is needed.
- Once an alert is issued, the Department will wait 15 days for the information. If not received, the credit or adjustment will be disallowed.
- Form 8453N can be mailed or faxed. Include only the requested forms.

For more information on reject and alert messages, see [E-file Business Rules](#).

Additional Tips

- Schedule III should always have a value on the line for Income Derived from Nebraska sources.
 - This can only be zero if there is no Nebraska source income or loss.
- Once a return has been filed and accepted, the only way to correct it is to file a paper amended return.

Additional Tips

- If you are filing electronically, and claiming a deduction for Tier 1 or Tier 2 Railroad Retirement benefits on Schedule I, you must input the information from any of the following federal forms:
 - Form 1099-R
 - Form 1099-G (unemployment)
 - Form W-2 (sick pay)

Additional Tips

- If the following deductions or credits are being claimed, be sure to submit the supporting forms, either as binary attachments or with the Form 8453N.
